ABOUT US

**WE PROTECT.
WE SECURE.
WE KEEP
WATCH, SO
YOU DON'T
HAVE TO.**

With the law taking its course of engaging the companies to ended up a authorized company beneath the support of Service of Insides, Number One had gone one step ahead in getting the title changed to serve the society as a security company as it were. These changes got the title enlisted with Dubai Defensive Administrations, Emirates of Dubai.

Mr. Ayman Abdullah, our General Manager, will communicate and make sure that our employees meets our professional safety expectations and regulations. Mr. Ayman is accredited by the Dubai Security and Protection Regulatory Authority (SIRA).

Mr. Wissam Nabeel, our Common Director should liaise with you and ensure that our work force are assembly our Customer's and Number One Frameworks desires.

OUR PRINCIPLES

Number One Security prides itself on being dependable in how it handles connections with clients, communities, representatives and to the society as a entire. The gather Standards portrays what PSS stands for “making your life safer”. Each Rule contains a Senior Administration “winner” inside the gather, capable for guaranteeing that esteem gets to be a key portion of how PSS does its business.

CAPABILITY

We create and show our capability through our inventive and driving-edge approach to making and conveying the correct solution.

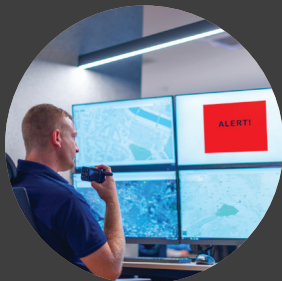

EXECUTION

We challenge ourselves to advance execution year-on-year and to make long-term sustainability.

RIGHT INDIVIDUALS

We continuously pay attention to utilize the most excellent individuals, create their fitness, give prospect and rouse them to live our principles.

UNWAVERING QUALITY

We are able continuously be trusted to do the proper thing.

COLLABORATION

We work together for the advantage of the Number one security company as an entire.

OUR SERVICES

GENERAL SECURITY

Number One Frameworks will be able to supply security administrations to all offices viz. industrial facilities, shopping centers, commercial cum private buildings, gated communities, genuine bequests, shopping complexes, stockrooms etc.

EVENT SECURITY

Number one will be able in the future to cover the required and employ the trained competencies in the ideal way to complete the work in a successful and distinctive manner, and to improve the provision of superior customer service.

SPORT CLUB SECURITY

In the future, Number One will provide security guard services for the sports club, and no other security companies can match our professional protection and investigation services. In the future, we will also provide security guards and security officers to secure and protect the indoor or outdoor premises of our clients' playgrounds and private spaces.

NIGHTCLUB SECURITY

We know we can add value to the customer journey. We are committed to tailoring the right security team to complement your nightclub and to enhance your customer experience.

While customer service is a priority for every night-time operator, our clients also trust us to ensure that licensing teams and local authorities are highly satisfied with our exemplary compliance systems and our strong communication. Training programmes and induction paperwork will be tailored to the specific needs and operational challenges of your venue.

FACTORY SECURITY

In the future, we will be able to provide a safe environment for your workers as well as maximize production.

Factory security systems of the future will include a wide range of standalone or integrated solutions that not only help them protect external areas of the site against intrusion and intervention, but also help maintain internal manufacturing operations and production lines.
